Feedback from 23.6.04

What went well: Paper - well presented, thought provoking  
Politics - well presented, well linked together  
Nut talk - interesting, well presented  
Rheumatology - informative, case presentations helpful, interesting esp. re new drugs  
Time Mx - useful

What went badly: Rheumatology - could have been more primary care based, some a bit too fine print, handout would be useful

Time Mx - little long  
Canteen food not up to scratch  
Weather

Average scores: AM - 5.1  
PM - 4.4

What learnt: Use of CRP and RhF  
Starting DMARDS promptly  
Exercise in fibromyalgia  
Steroid use and prevention of osteoporosis  
Epipen use  
Assertiveness

What would like to learn more of: When to test for H pylori and when to treat  
Blood tests in rheumatology, reactive arthritis, pseudogout  
Assertiveness
