Subject: [SwindonBathDRC] exam info and feedback

Hello all

First up- feedback from yesterday's DRC.

WENT WELL - Politics and OOH update

Flying soap box "Very good" "concise" "informative"

Teen Health "interesting" "useful" "good to meet child psych". Scored 3-5.

MRCGP group work

NOT SO WELL - Too much brainstorming

Too much group work

Bad acoustics in room.

As usual not enough practical help for the consulting room.

Slow service at pub!

GROUP WORK- scored 3-5 mostly 4.

MORE INFO - on motivational interviewing please

On anger management

Practical tips for managing teen psych probs and a directory of local services.

2ndly for anyone taking MRCGP in Oct - the NB Medical Education Hot Topics course which we've all been on about is happening again in Sept/Oct. Costs £165, ring 0191 489 0555 for more details. Will happen in Bristol, Leeds, London and Edinburgh.

Easily the best exam money you'll spend!

See you all next week
