Feedback from DRC at RUH on 9/3/2005

What went well.

First termers found the "planning your year" session helpful and timely even if it did increase anxiety levels about what lies ahead!

Second termers found the video session good, there were lots of helpful tips and pointers.

Group work on ethics was also enjoyed and in my group led to interesting and stimulating discussion.

What did not go so well.

Lunch at the crown pub was very delayed and it was felt not to be a good venue for future lunches. Travelling and parking was difficult for some of the Swindon crowd.

Thanks to all who worked hard to make the day enjoyable and a success, have a good week.

Simon
